

**NHS North West Consultation**

<b>Name</b>	<b>Age</b>	<b>Disability</b>	<b>Faith</b>	<b>Sexual Orientation</b>	<b>Community</b>	<b>Previous NHS?</b>	<b>Comments</b>
Tony Wright	48	N	Christian	Hetro	West Indian	No	Not worked for NHS or applied jobs to the NHS. Lack of qualification however plenty of experience of working with local communities. Would not consider applying for jobs in NHS. Closed shop. The NHS is distant from what's happening on the ground with health/social care issues within communities.
Waqar Abbasi	42	Y	Muslim	Hetro	Asian - Pakistani	No	Not worked for NHS before or applied for jobs in the NHS. Lack of relevant qualification/experience. Have worked with young people, BME VCS as well as elderly people in a capacity building/community development roles. May consider applying if it is community based project.
Manilal Mistry	58	N	Hindu	Hetro	Asian - Indian	Yes	Previously served on a PCT as non-executive director. Positive experience. Have always been in a business therefore has not applied for any jobs in NHS. Would not consider applying for a job at this

							stage.
Neela Hariani	54	N	Hindu	Hetro	Asian - Indian	No	Never considered applying for a job in the public sector. Always worked in a private sector. Positive experience in terms of service user of the NHS/PCT. Would consider volunteering work in hospital in the future.
Hanif Bobat	52	N	Muslim	Hetro	Asian - Indian	Yes	Served as a Non-executive Director on NHS Trust. Works within health sector. Considers NHS as a fair employer. Would consider applying for jobs with NHS in the future.
Vanessa Augustus	34	N	None	Hetro	African	yes	Has worked for the NHS, but finds that she had difficulties within the system she had to work with she did not enjoy her employment within the NHS, and will not consider applying for any more Jobs within this area.
Abdi Abdullahi	40	N	Muslim	Hetro	Somali	No	Has not worked for the NHS or applied for Jobs within the NHS. He would be interested in working for the NHS if given the opportunity, but finds that his Qualifications would be an obstacle as to doing so.
Sam Mamood		N	Muslim	Hetro	Asian-Pakistani	yes	Has applied for jobs within the NHS, but has gained few interviews, she believes due to the cuts in the

							workforce and very little feedback were the obstacles as to gaining employment within the NHS.
Judith Antoine	38	N	None	Hetro	West Indian	No	Has not applied for jobs within the NHS, or worked in the NHS. I have no intentions of working within this field of care, and if I did my Qualifications would be an obstacle which would stop me from doing so.
Jannet Jiang	27	N	None	Hetro	Chinese	No	Has not worked in the NHS, or applied for Jobs in the NHS, she has no interest in this area of employment, but states if she was given the opportunity to work in the NHS it would be within the Finance Department.
Abraham	32	N	Muslim	Hetro	Somali	No	Has not worked in the NHS, or has applied for Jobs in the NHS, the reasons for this is due to his past/ present and chosen area of employment which does not have any links with the NHS, if he was given the opportunity to work within the NHS he would, but due to both his Qualifications and experience he believes that this would be an obstacle as to gaining employment in this area.
Neeki Begum	29	N	Muslim	Hetro	Bangladesh	Yes	Has applied and worked in the NHS

							before, she is at present taking the opportunity and considering going back to work within the NHS again, but is finding it hard to gain the right path as to where to look for the Jobs and contacts within this kind of work.
Nimo	26	N	Muslim	Hetro	Somali	Yes	Has applied and registered for work within the NHS, but had no success with her interviews, she believes that her experience was the obstacle, but this has not stopped her from applying for more Jobs in the NHS.
Patrick Marmion	31	N	Christian	Gay	Irish	No	Has not worked or applied for work within the NHS due to his interest and chosen employment, the NHS was not an area he would like to work in, and if he was given the opportunity to work in this area both the qualifications and experience would be an obstacle for him to do so.
Mohamed Sheekh	67	N	Muslim	Hetro	Somali	Yes	Has worked and applied for jobs in the NHS, but this were a very long time ago. He found that due to language barrier, lack of training and part time work was the obstacles as to him staying in this

							area of work. Due to the many years which has gone passed and the system has changed during that time, given the opportunity he would go and work with the NHS Department again.
Amwar	37	N	Muslim	Hetro	Bangladesh	Yes	Has worked in the NHS before, has not applied for Jobs recently due to his chosen area of employment at present, but would re-consider given an opportunity to work with the NHS again.
Mohamed Bakari	64	N	Muslim	Hetro	Somali	No	Has not worked or applied for work within the NHS, this was not an area of work/ employment which was of interest to him, given the opportunities he would consider working in the NHS, but states that his Qualifications and experience would be the obstacle as in doing so.
